

Signature SEATING

Enjoy your journey in comfort and style with E-Z-GO's new line of Signature Seats. Classic style meets unmatched technology that is engineered to take to your ride to the next level.

ALL-NEW

MIDNIGHT BLACK

Enhance your E-Z-GO with luxury seating with our new Midnight Black Signature Seats. These seats provide a sleek, refined aesthetic without sacrificing your comfort during your ride. Constructed with material to reflect UV rays, these seats are engineered to last.

A NEW, COOLER CLASSIC. TUNDRA GREY

Modernize your E-Z-GO® with advanced cool touch technology that will keep your seats up to 30 degrees cooler than standard vinyl. This innovative combination of color pigments, foam, and substrate is designed to keep the seat cooler even after prolonged sun exposure.

MODERN TAKE ON A TRADITIONAL STYLE. AMARILLO BROWN

Upgrade your E-Z-GO with superior style without sacrificing durability. Our Amarillo Brown seats provide a genuine leather look with the durability of premium vinyl. Accented with thicker stitching, these seats will give your ride a unique appearance.

Vinyl fabricated with a stain repellent topcoat.

Constructed with materials which reflects UV rays.

Designer sculpted foam cushions for ultimate comfort.

Abrasion resistant barrier to protect the outer layer of the seat.

Crafted with double-diamond stitching.

Premium marine-grade vinyl for weather resistance.
